Solar Index Insurance – Reducing Basis Risk

Naoki Conning Stuyvesant High School

Abstract

Add your information, graphs and images to this section.

Methodology Add your information

Introduction

Add your information, graphs and images to this section.

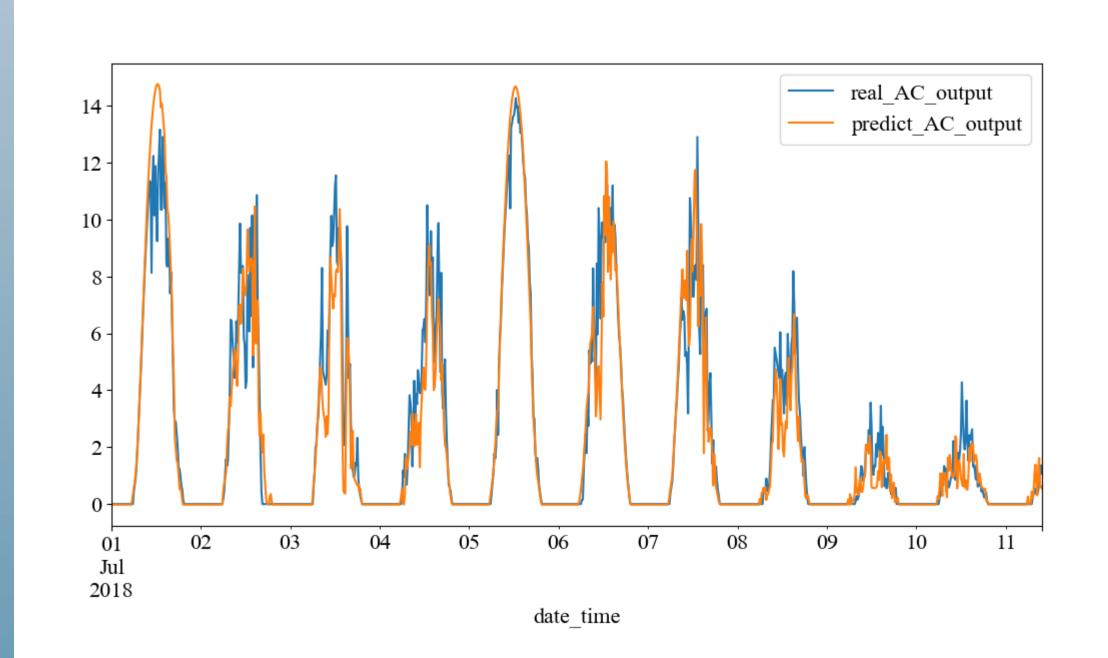

Why

Add your information, graphs and images to this section.

Materials

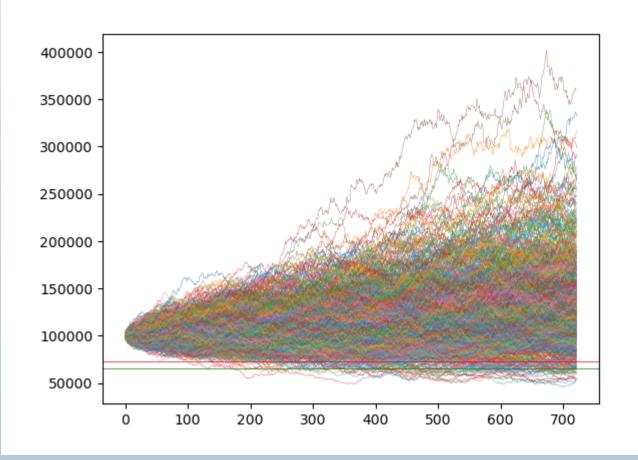

Add your information, graphs and images to this section.

Add your information, graphs and images to this section.

Pricing risk via monte carlo simulation

Expected payout of the contract

Basis Risk

Add your information, graphs and images to this section.
